

REMARKS

Upon entry of the foregoing amendments, claims 4-8, 10, 11, and 34 are pending in the application. Claims 1-3, 9, and 12-33 have been cancelled without prejudice or disclaimer thereto. Claims 4-8, 10, and 11 have been amended. Support for the amendments may be found in the specification and in the claims as originally filed. These changes are believed to introduce no new matter, and their entry is respectfully requested.

Applicants thank the Examiner for indicating that claim 34 is allowed. Not in acquiescence to the propriety of the outstanding rejections, but rather solely to advance prosecution, Applicants have either cancelled or amended the rejected claims to depend from allowed claim 34. Applicants submit that all of the claims as now written are in condition for allowance. Accordingly, Applicants respectfully request that the Examiner reconsider all outstanding rejections and that they be withdrawn.

CONCLUSION

All of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicants therefore respectfully request that the Examiner reconsider all presently outstanding rejections and that they be withdrawn. Applicants believe that a full and complete reply has been made to the outstanding Office Action and, as such, the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed, or which should have been filed herewith to our Deposit Account No. 04-1105, under Order No. 60677(49163).
